ORDER DENYING PLAINTIFF'S MOTION FOR SCHEDULING CONFERENCE

THIS MATTER is before the Court on Plaintiff's Motion for Scheduling Conference [Doc. 3] ("Motion"), filed on May 29, 2012. No response was filed, and none is necessary. Pursuant to D.N.M.LR-Civ. 16.3(d), this case is excluded from normal pretrial case management procedures, and therefore, a scheduling conference is not appropriate. Currently, the Court is reviewing the complaint, [Doc. 1] at 5–14, under 42 U.S.C. § 1997e(c), (g), to determine whether Defendants will be required to answer. Nothing further from the parties is required at this time.

IT IS THEREFORE ORDERED, ADJUDGED, AND DECREED that Plaintiff's Motion for Scheduling Conference [Doc. 3] is **DENIED**.

IT IS SO ORDERED.

United States Magistrate Judge
